Dear Recipient

Subject: Letter About WickedDocs

Some text can be in *italics* , and other text **bold** .

Text in quotes is highlighted.

You can even block quote text:

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Ut enim ad minim veniam, quis nostrud exercitation ullamco laboris nisi ut aliquip ex ea commodo consequat. Duis aute irure dolor in reprehenderit in voluptate velit esse cillum dolore eu fugiat nulla pariatur. Excepteur sint occaecat cupidatat non proident, sunt in culpa qui officia deserunt mollit anim id est laborum.

The editor view will syntax highlight the different markdown being used and it still saves as plain-text to a file. You also have a WYSIWYG view of how the file can be exported as a PDF with style and formatting applied.

Kind regards,

A stylized, handwritten signature in black ink that reads "Your Signature".
